HOPE FOR THE WORLD INDIA

Vol. 53, August 2008

Dear Friends,

The Bible tells us in James 1:27, "Pure and undefiled religion before God and the Father is to care for orphans and widows in their trouble..." The Bible teaches us over and over again that we are to help hurting people. I believe that is God's passion. He is passionate about the orphans, widows, the needy, the hurting, the hungry, and homeless people of the world. God does not want us to ever forget them. That's why there are over 2,000 scriptures in the Bible that tell us what our duty is towards the hungry and destitute. I have often heard people say that they don't do anything because what they have won't really make a difference in the world. That just isn't true, because little is always much in the hands of Almighty, All-Powerful God. Remember the boy with the five loaves and two fish? Jesus took that and fed five thousand men, not counting the women and children. I recently read a quote by E.M. Bounds that said "God can move mountains, but faith and prayer can move God." Because of your prayers, your giving, and your love for the needy, the hand of God has been moving through this ministry to reach thousands. Together we are caring for orphans, feeding the hungry, helping the hurting and proclaiming the Gospel. Please know that you are making a difference. Let us keep reaching out and beyond for the sake of Christ.

May God Richly Bless You,
Riley Shelton, Jr.

This widow, Slomy Munda, and her two daughters received Christ after attending a HFTW feeding program up in West Bengal.
