

LIGHT BEARER NEWS

HOPE FOR THE WORLD INDIA

Vol. 60, March 2009

Dear Friends,

We recently returned from our mission trip to India. Our journey there and back covered nearly 25,000 miles. We were blessed to witness the hand of God move in many miraculous ways. We were used to feed the hungry, as nearly 1500 people received meals. We laid hands on and prayed for hundreds of people who were sick or afflicted. God used us to put our arms around and love on those who were hurting and living in despair. We witnessed an untold number of people giving their hearts to Jesus for salvation! We distributed many Bibles to new believers in their own language. We hosted our annual mission conference where over 500 pastors and their wives attended. We were privileged to see the Holy Spirit redeem, refresh, restore, and empower those in attendance. I am totally convinced that what we were able to witness was due to the prayers of family, friends, and partners of this ministry. On behalf of the team, Michael Lee, Lisa Dolan, Kelly Allums, Debbie and me, thank you so very much for standing in the gap for us. Your prayers truly made an impact for the cause of Christ. Let us, together, continue to reach out and beyond in His Name and in His love until He comes.

May God Richly Bless You,
Riley Shelton, Jr.

Prayer Needs

- In Orissa, Christians who are moving back to their villages are under harassment and discrimination. They are being pressured to convert back to Hinduism. Recently a Hindu temple was built on the very site where a Christian church was burned down. Please pray that the Christians will remain steadfast in their faith.
- Please pray for more opportunities to share this ministry in churches and mission conferences. *Have we shared with your church?*

Please encourage your friends and family to visit our NEW website at:
